

## DNV Offshore Service Container

### CERTIFIED MULTI-FUNCTIONAL CONTAINERS FOR ZONE I AND SAFE AREAS

#### Certifications & Approvals

- DNV 2.7-1
- BS EN 12079
- CSC (Lloyd's)
- ATEX Zone I

#### ISO Castings

Allows for safe & easy stacking & securing.

#### ATEX Zone I

Electrical components for operating in hazardous areas.

#### Standard Features

- Personnel door
- Forklift pockets
- Workbench & vice
- Lockable storage racks

#### Optional Fitout

- AC system
- Extendable monorail and chain hoist

#### Blast Rated

Blast overpressure rating of 200mbar.

The HB Rentals DNV Offshore Service Container represents the pinnacle of safety and work space design. Certified to the latest regulatory codes, it can be used on fixed production and drilling platforms, jackup rigs and semi-submersibles in the most hazardous offshore environments.

#### Certifications:

- DNV 2.7-1
- BS EN 12079
- CSC (Lloyd's Scheme)

#### Certified to Regulations – Designed for Extreme Environments to Enhance Worker Safety

- DNV 2.7-1 certified – Built to withstand harsh, extreme conditions found in marine environments. Structural and lifting components are DNV certified for safer deployment.

#### Operates in Hazardous Areas

- With all electrical components certified to ATEX Zone I, the Offshore Service Container can operate in both hazardous & safe area locations.

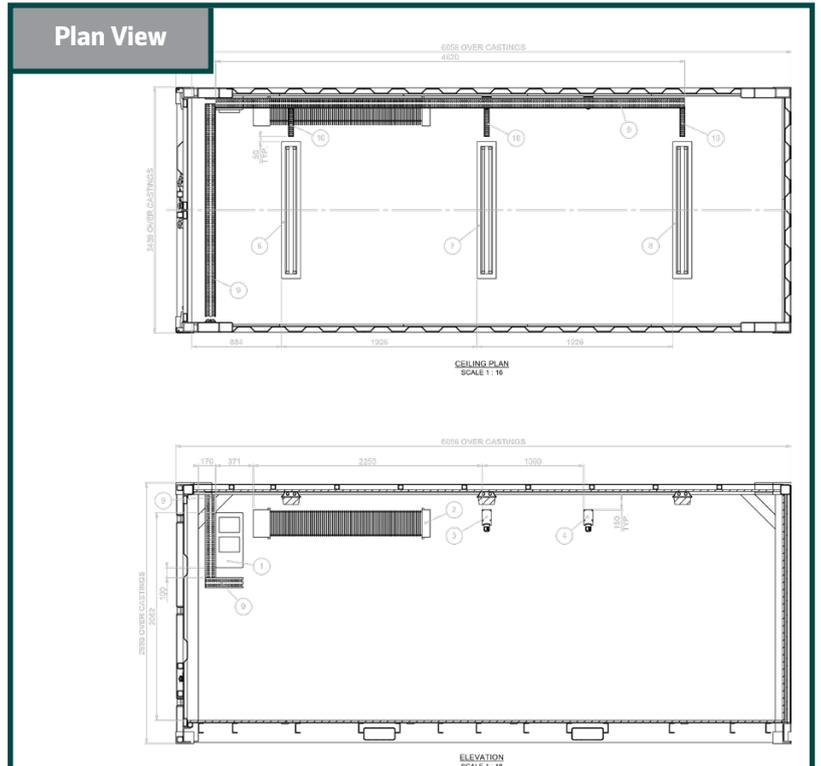

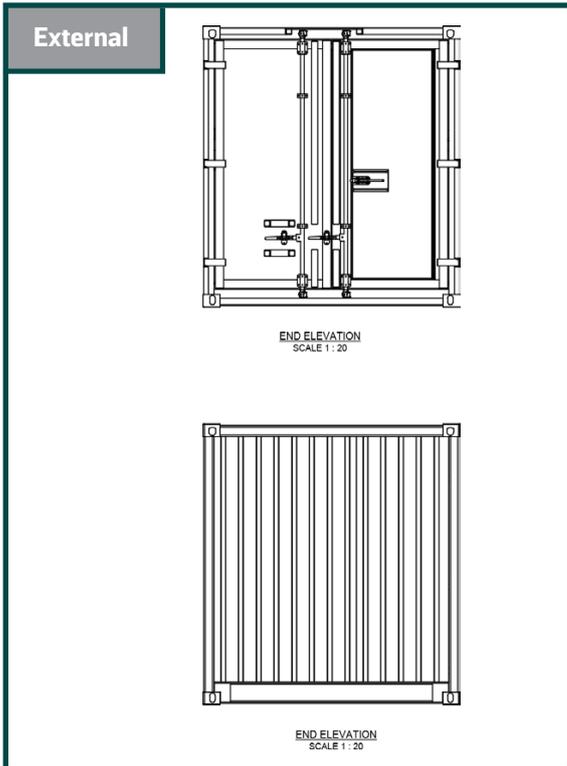

#### Maximise Worker Safety - Focus on HSE

- 200mbar blast-rated modules provide shock and overpressure resistance in the event of an explosion.

#### Multi-functional Design

- 10' x 8' and 20' x 8' standard footprint, or order a custom built container according to your specific requirements.
- Built around ISO container dimensions – standard connections for stacking and securing – equipped with ISO castings and CSC approved.
- Standard features include workbench & vice, lockable storage racks, heater and cargo net.
- HB offers a range of fitout options such as: AC system, extendable monorail & chain hoist, providing a multitude of applications. Examples include:
  - Welding workshop
  - Electrical workshop
  - Mechanical workshop
  - Testing workshop
  - Storage of goods, tools & materials
  - Rigging loft
